

You've Been JINGLED!

"Merry Christmas and a HO HO HO!"
Santa's Elf has visited, from the North Pole
He leaves you this fun treat,
and lots of warm wishes,
From all the elves, reindeer,
and of course Santa and his Mrs.

Hang this door tag to show you believe
And let it stay there until Christmas Eve
Now that you've been jingled,
we ask you just one favor,
Spread the Christmas joy,
to a another friend or neighbor!

Just leave a Christmas treat,
jingle the bell, then DASH!
You don't want to get caught,
so make sure that you're fast!
(Pass the "jingle" along to 2 neighbors)
